MALBEC 2020

Intense, ruby red colour. It is complex and layered on the nose with aromas of red and black fruit such as cherry and plum, with subtle aromas and toasty notes from a well-integrated oak. In the mouth, it showcases a sweet opening and full-bodied mid-palate underpinned by sweet and round tannins, and a juicy finish reminiscent of red and black fruit that provides freshness.

SAUVIGNON BLANC
2022

This is really perfumed, with fresh guava, grass, papaya and bitter-lemon aromas. Full-bodied with tangy acidity and an oily and creamy texture. Crisp finish. Always attractive.
